

REYNOLDS AND SCARBORO EVANGELICAL CHURCHES.

Geo. A. Walter, Pastor.

Ashton, Illinois, Nov. 5, 1937.

To Whom it May Concern:

It gives me great pleasure to write a good word for Evangelist Everett Swanson. He is an outstanding, strong, forceful preacher of Biblical truth, yet remarkably simple in its presentation and practical in its application.

My personal experience with him in Evangelistic meetings contact with him and continued knowledge of his good work elsewhere, has lead me to know that his supreme desire is to win souls to Christ thru the preaching of the "Old Fashioned" Gospel and to lead believers into a seperated, consecrated Spirit filled christian life.

His training in a devout Christian home, gives strength and confidence in his work. I can cheerfully and heartily recommend him.

Your Brother in Christ,

*Geo. A. Walter.*
