Dear Christian Friend and Helper:

Greetings in our Saviour's dear Name.

It occurred to me that you would like to have a photograph of the Samchok Sin Ae Orphanage (which means Home of Faith and Love in Korean) with all the children. A fine deacon friend of mine has printed enough of these enlargements so I can send one to each supporter of these "adopted Children". Perhaps you can find "your child" in the picture from the small photo I sent you earlier this year.

This is the latest picture I have, although we have about 19 more children now at this orphanage. I am also sending support for other children in other orphanages.

You will be interested to know that work is progressing on a new orphanage building entirely for homeless beggar boys and young men. We bought 2 Army tents to house them in temporarily, until the building is ready. It will be known as "New Life Boys Home" for this is truly a new life for them from their old begging and stealing, sleeping on the streets and in doorways, etc. Then too they will find New Life in Jesus Christ as their Saviour. The last I heard we were caring for 70 of them. This is another big undertaking, but we must do what we can for these poor homeless boys. Of course, our real purpose is to win them to Christ. This is being done. It will be strictly a Christian home.

Thanks again for your faithful monthly support. It goes a long long way over there. How happy we will be to see these children in heaven someday.

If a group should want another picture or a number of smaller ones, please let me know.

In Jesus' Blessed name, His and Yours,

Everett F. Swanson
