Dear Friends:

I feel it is necessary for me to write to explain the delay in sending you the assignment of the orphan you are supporting, together with the picture, case history, etc. No doubt you are wondering and concerned about it.

Frankly, I do not know the reason for the delay in the arrival of these things from Korea. Right now I am waiting for and expect about 200 pictures of new orphans and war widows. Some of these should have been here nearly 2 months ago.

Several things could have happened. 1) They could have been sent sea mail instead of air mail, which easily could take 2 months or more instead of 4 or 5 days. 2) They could have been lost in the Christmas mail scramble somewhere. 3) The translations may have been poor and the missionary held them up to have it done over.

I have written to the missionaries and Korean Directors asking for immediate explanation of when they were sent, etc. That is all I can do at this point. If we learn they have been lost, then new pictures will have to be taken, new case histories written, translated, etc. All of which takes much time.

In the Mean time, your support continues to go monthly to the field for the support of the children, though you do not know the name, etc. The very day the pictures arrive, I will begin to assign them and mail yours out to you.

So, I know you will be patient, prayerful, and understanding. God bless you for your interest, love and compassion for these dear children in Korea. Please tell your friends, classes, women's groups, etc., about this wonderful opportunity to show Christ's love and win precious children to Christ. Many of these 200 mentioned above are not sponsored or spoken for. I have taken them in and promised to support them just by faith.

Prayerfully and Sincerely in Him for Souls,

*Everett F. Swanson*
