Dear Korean Evangelist Sponsor:

You are probably wondering when "your Korean Missionary" will be assigned to you, and will receive the picture, etc. Hence this letter of explanation.

As you know by my previous letter, we received many more applications to support these men than we had men available at the time. But immediately Rev. Rice in Korea made contact with several other missionaries and Korean leaders to find many more men. Their pictures and case histories are drifting in from day to day, so that to date we have assigned 52. They are being carefully processed and approved in Korea, then sent on to me, then to the supporter.

Some of the workers will be soul-winning Bible Institute and Seminary students who will graduate in March to give full time to evangelism and soul winning and establishing new churches. Some are doing other forms of evangelism.

We are assigning the workers in the order the applications were received from you. I feel that within a month or so, all will be here and mailed on to you.

I know that you are rejoicing that we are able to send out so many and that you have such an important part in it! We fully expect to have thousands converted and scores of new churches established in this one year through this wonderful effort. Praise God. I will be seeing many of them when I get to Korea this Spring.

Thank you for your patience, prayers and support.

Cordially in Him for Souls,

Everett F. Swanson
