Dear Dr. & Mrs. Hemwall:

I hope you had a blessed and joyous Christmas. I pray God bless you, your home, and Compassion in abundance throughout the New Year. Even though we are seperated by many thousands miles, I remember you and your family in my prayers, every dawn.

I receive the monthly money from you without fail, every month. I am too thankful for words. I think you are a good steward. I believe God will bless you greatly in everything.

The 1st Sunday of December, the Women Group had their year-end general meeting in church, after our Sunday service. In the evening, the Youth Group had the year-end general meeting, too. The 2nd Sunday, we made a special offering for our new construction, and about \$330 came out from our members. Mr. Kim Dong Yoon is in the service and on his leave, he came back home and he offered his endeared wrist-watch to church for our new construction. A woman offered her wrist-watch to our church, too. A member offered his sweater to church. All the members are doing their best for church. With the offering for our new church, we are going to cover the roof.

We also had a wonderful Christmas. On Christmas eve, the young people of our church were gathered and had a good time. At dawn, they made the round of the whole village, singing carols. After our Christmas celebration service, we had a small party. Our little S.S. children were very sorry that they couldn't have nice Christmas programs. Because our meeting-house is small and we gave up having programs.

Well, I close for now, praying you are well in His blessing and grace.

Sincerely yours,

*Lee Yoon Hui*
