

"I'VE BEEN INTENDING TO WRITE and send a few dollars, but I am ashamed that I've neglected doing so. I thank my Lord for the wonderful work He has done through you, both in Korea and here as well. I AM GOING TO ADOPT ONE OF THESE CHILDREN AS A SPONSOR. I am a widow and have to work, but God has given me meath so I can work and a job to work at and I will trust Him."

"HOW DO YOU DO, SIR? We are studying hard in our orphanage under the direction of nurses and sisters within the favour of our Lord. I got your Bible Story books through the secretary of this orphanage and read it with much delight. I write this letter for the thanks to your books. I hope you will make some more books like this one and give us. My sincere regards of good health and happiness and the blessing of our Lord are always with you." Kim Jung Ja (We gave 2800 Bible Story books to 400 orphanages)

A MICHIGAN PASTOR WRITES "Enclosed please find check for \$20 for the support of the Korean lad. May the Lord bless richly in both the orphanage work and in the ingathering of souls and strengthening of the saints here. All those saved during the campaign here are growing in the Lord."

"IT IS THREE YEARS SINCE I have believed in Jesus Christ in this Home. I pray that the grace of God be with you. I remember that when I sit before the daily good table and when I dress in fine clothes, these are all the grace of you. Even though it is hundreds of thousands miles far from Korea, I pray for you. And I also do my best to be a good person before God. Thank you for your aid." Wee Sun Park, 12 year old girl.

"I AM GLAD TO KNOW that the orphan boy I sponsored has been found by his relatives and I am sure he will be a real blessing to his people. I believe that through your God inspired efforts to help these children, that Christian boy has been found, thanks to our Heavenly Father who cares for us. I am pleased to know that you have transfered my sponsorship to another young fellow for I plan on sending a box of warm clothes for cold weather."

"I HAVE JUST HEARD YOUR BROADCAST over KGDN and felt a real thrill and joy at the thought of supporting a Korean orphan. The idea, I've known for a long time, is an excellent one, but sad to say, I have never started the wheels rolling. The fact that one is able to receive so much information concerning the orphan is what really thrills me and I couldn't be more excited if I were a child anticipating his first Christmas. I am a widow with 2 children and have a Sunday School class of children 9 years old. I thought this would be an excellent way of working in a missionary interest that would be very real to the class as well as to my boys."

" I AM VERY HAPPY to feel I can be a small part of your mission fund. I would like to sponsor 2 children, if possible a boy and girl.
