Dear Bible School Superintendent:

I am again sending our little paper "COMPASSION" to you that you may have more information concerning our work for Korean orphans, etc. Please take time to read it carefully.

My prayer is that your Bible School (if it has not already done so) may become a sponsor of one or more of these dear children through some class, department or the school as a whole. Don't worry about the money coming in! Just start the project, distribute copies of the child's picture and you will find the hearts of people gladly responding. Many of our Conference schools are doing it and are thrilled at the blessing it brings to them, and the value it has of missionary teaching to children.

You will be interested to know that we are asking some of our fine Conference leaders to be on our Advisory Board of Directors. Of course you know my brother, Rev. Lawrence Swanson, Secretary of the Board of Bible School and Youth Work. He and I were saved the same day! Our Board of Directors and all office help are Conference Baptists. I know them all personally and they have known me for many years.

I'll be waiting to hear from you soon with good news of sponsoring a child. How about you and your family becoming a sponsor? My, what a blessing it will be! In our next issue of "COMPASSION" we will publish our annual financial report and auditor's report (CPA). If you would like to be on our mailing list, drop me a line on the enclosed envelope and we will be very happy to send you our mailings regularly.

May the dear Lord richly bless your faithful labors this year and cause your Bible School to grow in numbers and spiritual fruit.

Cordially in Christ our Lord,

Everett F. Swanson
